

NICHQ Vanderbilt Assessment Follow-up: Parent Informant

Today's Date: _____

Child's Name: _____

Child's Date of Birth: _____

Parent's Name: _____

Parent's Phone Number: _____

Directions: Each rating should be considered in the context of what is appropriate for the age of your child. Please think about your child's behaviors since the last assessment scale was filled out when rating his or her behaviors. Is this evaluation based on a time when the child was on medication was not on medication not sure?

If on medication, please list medication name and dose: _____
