**Insurance:** The Wake County Public School System (WCPSS) does not carry accident or medical insurance to cover students' accidental injuries or illnesses. A student accident insurance policy is available on an individual basis and covers accidental injuries that occur during school-sponsored activities. Application and purchase information can be obtained from your child's school. In addition, parents' insurance may also provide coverage for injuries to their child(ren). WCPSS Board policy (6720) addresses the insurance requirements for participating in specified activities.

**6720.1** Every student participant in a student activity, which requires accident insurance, shall:

A: Furnish proof of membership in the student accident insurance program, or

B: Furnish proof that compatible coverage is carried in another insurance policy.

**6720.2** Student activities requiring student activity insurance coverage are: A) Interscholastic athletic programs, B) Intramural athletic programs, C) Marching bands, D) School patrols, E) Cheerleaders, F) Groups making overnight trips or excursions.

Your child has indicated an interest in participating in a student activity, which requires accident insurance coverage. Please check **A** or **B** below to indicate the method by which the required coverage will be provided. A policy number is **required** for choice **A**.

**Assumption of Risk:** It is understood and acknowledged that there is a risk of injury involved in athletic participation. The student athlete will be under the supervision and direction of a WCPSS athletic coach. Following the rules of the game and the instructions of the coach can reduce the risk of injury to the student and to other athletes. However, it is understood that neither the coach nor WCPSS can eliminate the risk of injury in sports. Injuries may and do occur. Sports injuries can be severe and in some cases may result in permanent disability or even death. We freely, knowingly, and willfully accept and assume the risk of injury that might occur from participation in athletics.

It is expected that all athletes, coaches, managers, and spectators adhere to the guidelines contained within the sportsmanship brochure entitled, "A guide to promoting sportsmanship in your middle school," which is provided by WCPSS.
